Dear Mr East

Final inspection report

YMCA London City and North
St Aidan's School, Stapleton Hall Road, London N4 4RR

Following our recent inspection, I am pleased to share with you the final inspection report. We will usually publish the report eight working days from the date of this letter on the [Ofsted reports website](#).

The 'Statutory framework for the early years foundation stage' (paragraph 3.76) requires all early years providers to supply a copy of the inspection report to the parents of children attending on a regular basis.

Some reports published on our website will not include any information that identifies the name or location of a provider. However, you can identify it by the unique reference number (URN). If you experience any difficulties accessing the report from the Ofsted website, please contact us using one of the methods at the top of this letter and quote your unique reference number (2598755).

Any information we gather during the inspection will be used as set out in our [privacy notice](#).

If you are dissatisfied with your inspection report or the inspection process, you may submit a formal complaint using the form on the [Ofsted website](#), you should submit any complaint by the end of the fifth working day from the date of this letter.

Ofsted are interested to find out about your recent inspection. We invite you to complete our short post-inspection survey using the unique link below. This survey includes your views on the impact the inspection is likely to have in bringing about improvement to your provision. By responding to this survey, you will help Ofsted improve the inspection process:
