Job Context:

YMCA London City and North (YLCAN) is an independent charity that is affiliated to the YMCA movement. We work across some of London's most deprived boroughs in Islington, Haringay, Tower Hamlets, Newham, Barnet and Hackney as well as the City of London. Over 600,000 young people call our area of London home.

Young people are at the centre of all we do. Our vision is for a society where they are equipped to create a future of their choosing. We collaborate with them so that they make informed choices through access to accommodation, youth services and community engagement.

Over 150 years we have helped tens of thousands of young people. Today, at any one time we accommodate over 400 young people who are experiencing homelessness and we positively impact the lives of thousands.

Our core values include mutual respect for individuals with different cultures, beliefs, and perspectives; encompassing diversity and inclusion; equality of opportunities and accessibility.

Our services for young people and communities in London also include Youth Hubs, Community Outreach and Childcare. Our Crouch End and London Marathon Fitness Centres provide a strongly community orientated, inclusive gym environment, where people support each other to achieve their fitness goals. Our Haringay Club provides a gymnastics and dance facility for children and the Tarling Road Community Hub is an estate based resource for all members of the community.

The housing project currently provides short term temporary accommodation for single homeless vulnerable young people aged 18 to 35 from a variety of backgrounds including: offending, mental health, domestic violence and alcohol & drug abuse. The accommodation project is open 24/7 – 365 days a year.
